

SCHOOL ANTHEM:

Outer-ring my school....

My home and my life
Our knowledge precious
I love thee outa,

I will sing with strength and joy,
I will offer thee all my life
To learn to be champion, champion,
champion,

When the sun is shining above us
The Lord is there for us
Rejoicing in thy name,

See no tribe speak no tribe; talk no tribe
outer-ring.....

I fear no one, I hate no one
My strength my pride in outer-ring
Champion!
Champion, champion, champion...
I love thee outa, outa
I love thee outa!
